Mov. 13, 1954

Dear Mr. Oulla,

I am writing to you on behalf of the "Career Forum" of Princeton University. The purpose of the Forum in to present men of many varied careers to speak informally to the undergraduate body of Princeton. Our program is aimed at counterocting a prevailing trend that the only fields open to the undergraduate student are the "stock trades" of low, medecine and business. In this venture, we plan to aid the student body by giving them advice
